

## Green Lake High School.

### ABOUT

Green Lake High School is a public high school which offers a special International Student Program that welcomes students from around the world. The program is new and has become an essential part of the development and enrichment of the campus. As an IB school, Green Lake is committed to providing the highest quality instruction and resources to its students.

Students are housed in a modern lakefront dormitory. There are numerous sports teams available for students to participate in such as baseball, basketball, football, golf, and volleyball among others. In addition, the school has a variety of schools and clubs that students can join including student council, jazz band, choir, and theatre.

### LOCATION

Green Lake High School is located in the scenic resort town of Green Lake in central Wisconsin. This charming small town is extremely safe and is the perfect location for students wanting to experience an American high school in a friendly and caring atmosphere.

The town experiences 4 distinct seasons which offers numerous opportunities for outdoor recreational activities including world-class boating, skiing (both water and snow), hiking, biking, and fishing. The college town of Madison and major city of Milwaukee are a short drive away offering many entertainment and dining options.

### CURRICULUM

Green Lake High School International Student Program features the renowned International Baccalaureate program which offers a challenging and enriching curriculum for students. The small class sizes allows for lots of individual attention and development of each student's abilities.

The school's focus is to prepare students for admission to study and indeed graduates have gained admission to some of the finest colleges and universities in the US including American University, Duke, Northwestern, Purdue, and the University of Wisconsin
