

The Village School | EST 1966

ABOUT

The Village School is a private school offering grades 9th-12th in the high school. Students here are given the attention, skills and international exposure they need to succeed in today's dynamic and ever changing world.

In addition to their rigorous curriculum, students can choose to participate in sports such as volleyball, basketball and track and field. They can also take advantage of the schools extracurricular programs including, musical theater and chess club for the lower school, math and science team or speech and debate team for middle school or leadership, social club, and model United Nations for high school.

LOCATION

The Village School is located in the residential area of western Houston, Texas which is one of the largest metropolitan cities in America.

Houston boasts an impressive number of cultural attractions and entertainment venues not to mention unsurpassed fine dining options and shopping. The area enjoys pleasant temperatures year-round allowing for numerous recreational activities outdoors.

CURRICULUM

The Village School is a proud member of the Meritas family of schools and offers the elite International Baccalaureate Programme to its students. Through these programs and the values and opportunities the Meritas Family of Schools offers, students get a global perspective on world issues, problem solving, and critical thinking skills that are essential for their success.

With small classroom sizes, teachers give each of their students personalized learning plans which will work on their weaknesses and enhance their strengths. The classrooms feature state-of-the-art resources, including science labs, wireless networks, computer labs and superb facilities for athletics and the arts.
