

TRINE UNIVERSITY

Angola, Indiana | Founded in 1884

ABOUT

Trine University is dedicated to ensuring the success of their students both academically during their time at Trine and after graduation. Trine's rigorous academic curriculum, dedicated faculty and small classroom size make it easy for students to excel. Trine offers associate, bachelor's and masters degrees in over 35 different programs and was ranked among the Midwest's Best Colleges five years in a row by the U.S. News and World Report and the Princeton Review. Students can participate in sports such as basketball, soccer, lacrosse, tennis, baseball, cross country, football, track, volleyball and more. They can also take part in one of the many clubs and organizations that the school has to offer such as: American Chemical Society, American Institute of Aeronautics and Astronautics, American Society of Civil Engineers, Exercise Science Association, Math Club, Newman Catholic Fellowship, Ski Club, SPEAK and Future Forensic Scientists

LOCATION

Trine University is located in the small midwestern city of Angola, Indiana located about halfway between the major cities of Chicago and Toledo. Angola enjoys 4 distinct seasons with an average winter high of 29 and summer high of 82 degrees F. The city is currently undergoing a major revitalization of its downtown neighborhood, beautifying and restoring it while maintaining its historical architecture and feel. Residents here can go antiquing in Angola's antique shops, play a round of golf at Lake James Golf Course, find some fun at the Fun Spot Amusement Park and Zoo or go hiking at Pokagon State Park. Between all of the attractions in the town, there are also over 100 lakes in the nearby area and a beautiful state park ensuring something of interest for everyone.
