

ABOUT

The University of Findlay is a renowned private university offering 60 undergraduate majors and 9 master’s degree programs. The school’s mission is equip its students for meaningful lives and productive careers. Their vision encompasses 3 core values: Heartland Community, Diverse Perspectives, and Transformative Experiences. The values are nurtured in their goal to become a leading Midwestern university. Findlay has an extremely diverse student population with international students coming from over 31 countries. The University has been actively expanding and constructing new buildings. The main campus currently sits on 78 acres and has state-of-the-art facilities for its students. Findlay currently fields 24 athletic teams that compete in NCAA division II. In addition, there are numerous student groups and organizations that students can participate in including Chemistry Club, Findlay Horseman’s Association, Greek Council, Newman Club, Political Science Club, and the Technology and Gaming Club.

LOCATION

The University is located in the “micropolitan” city of Findlay, Ohio. Findlay is especially appealing to young professionals and has been designated as a “Dreamtown” by Demographics Daily. The nickname is “Flag City, USA” and residents are justifiably proud of their city. With approximately 40,000 residents, Findlay is large enough to offer many shopping, dining, and entertainment opportunities while at the same time being small enough to offer a safe and community-focused atmosphere.

Findlay is located in Northwestern Ohio, not far from Toledo and the western shore of Lake Erie allowing for numerous recreational activities including world-famous Cedar Point Amusement Park. With 4 distinct seasons, students are sure to find lots to do in this charming region of the country.
